# DN970 & DN971 Series

## Shopfront Mortice Locks

# DN970 Shopfront Locks

Suitable for all hinged commercial applications, the DN970 lockset range is the first choice when it comes to strength and durability!

Manufactured from 316 Stainless steel and Zinc components, the DN970 delivers the highest level of corrosion resistance.

The Egress model offers an easy escape in emergencies via a smooth downward single action lever. The DN970 is also available in the more traditional double cylinder and cylinder turn versions as required.

Tested to the highest of Australian standards, the DN970 range meets and exceeds the requirements of AS4145, AS1428 & BCA22.1 Australian industry standards.
