

## For packing and adjusting window frames, window sills, door jams and a lot more.

For packing and adjusting window frames, window sills, door jams and a lot more. Designed and manufactured out of engineered plastic, Doric's H-Packers offer a unique non-rusting, non-rotting, versatile packer that can additionally snap in half to create two U-shape packers. With pre-set countersunk drill holes, they can be fast and easily fixed helping speed installation.

H-Packers are available in different sizes colour coded for easy on-site identification.

## ADVANTAGES

- Non-rusting, non-rotting
- Manufactured out of engineered plastic
- Available in different thicknesses
- Snap in half to create two U-shape packers
- Pre-set countersunk drill holes for fast easy fixing
